

International Trade Missions & Shows

Calendar of Events

> ready > set > export

Don't miss out on these great opportunities to expand your business internationally. Pennsylvania's Center for Trade Development (CTD) has scheduled a series of trade missions and trade shows, strategically chosen to expand Pennsylvania exporters' opportunities to develop new markets for their products and services throughout the world.

These events provide you with the opportunity to:

- > build broad exposure for your products and services
- > meet face to face with international business prospects
- > share experiences with fellow PA businesses
- > connect with high level contacts in government and the private sector

Participants receive a pre-screened schedule of appointments arranged according to their company's needs and in-country assistance from our highly qualified international representatives.

Participation fees vary. To learn more about any of these events, please contact the designated CTD staff person.
